CHA EJ blog post.docx

I have just a few comments attached. This needs to be reviewed by Isabel and she'll likely need to have OAR Comm review as well. Please send on to Isabel asap and let her move it from there. Let her know that OEJ wants to move out on this.

Hi Rona,

OEJ would like to move out somewhat quickly on the CHA EJ blog post. We've already traded one round of edits, so I think it's in a good place now for you to review. Note that I arbitrarily picked Dec 8 as a date to do a 1-hr overview webinar but that may change after talking more with OEJ. Please let me know if you have any edits to the blog post. Most of this is language that will look very familiar to you from reviewing previous materials. Thanks!
